## PATH FINDING: Talk to Someone Who has Been There

OCTOBER 11-17, 2020

### SCRIPTURE

» Psalm 139:12-14, 16

» Esther 4:13-14

### DISCUSSION QUESTIONS

1. How does it make you feel that God has plans for your days on this earth?
2. Since many—including ourselves—have said “No” to parts of God's plan, how do you think God still weaves his plans for human history together?
3. What has been some of the wisest advice you have received?
4. What stops people from asking for advice from other people?
5. Share about a mentor you have had (official or unofficial).

### Practical Challenge

Ask God to bring to mind someone who could speak wisdom into your life. Take time this week to reach out to that person.

If there's something specific you'd like input on, plan to connect once (maybe over coffee or video chat). Alternatively, consider asking if that person would be open to connecting regularly over the next few weeks or months.

### PRAYER

- Pray for our negotiations with the city, especially in respect to the required left-turn lane. Pray that the city would take on that multi-million dollar project as a capital project, that our Site Plan will be approved and that a full permit will be granted.
- Praise for the opportunity to meet in person for Sunday Services. Praise for the good number of new faces including a number that are on their way to God. Pray that God would bless our time together in community.
- Pray for wisdom for our Federal, Provincial and Municipal government officials as they navigate the ongoing COVID-19 crisis.
- Ask God to continue building into our community a spirit of gratefulness. Take some time to thank Him for His past—and anticipated—provision and care.
