NOVEMBER 22–28, 2020

## SCRIPTURE

- » Proverbs 18:2
- » Proverbs 20:5

## Practical Challenge

*I'm listening; tell me more.*

Practice listening to God this week: stop distractions and ask him questions.

Practice listening to others this week: stop distractions and ask questions.

## PRAYER

- Please continue to pray that the final steps in receiving our Site Plan Approval will be completed quickly and without any complications.
- Praise God for the funds that have been raised and the work that has been accomplished for our building project over the last three years. Ask God to continue providing the finances needed to see the shell of our building erected. Prayerfully consider if God is prompting you to give.

## DISCUSSION QUESTIONS

1. Share about a time (or times) when God spoke to you through a sermon, through your devotions, through another person in a small group, through a prompting or when you were asking him questions. How did that make you feel?
2. In John 10, Jesus gives us an illustration using sheep. Describe what you think he was trying to tell us in verses 2–4.
3. What does a person tell you about your relationship when they listen well and ask you questions?
4. Read Proverbs 18:2. You probably know someone like this (no names please); why do you think people act this way?
5. Read Proverbs 20:5. What does a person of understanding do? How do you think they do it?

- » Praise God for the two individuals in our community who recently gave their hearts and lives to Jesus!
- » Pray for one another—that you can listen well.
