ANTICIPATING IMMANUEL: HOPE

November 29–December 5, 2020

SCRIPTURE

» Matthew 5:14–16

» Romans 14:17

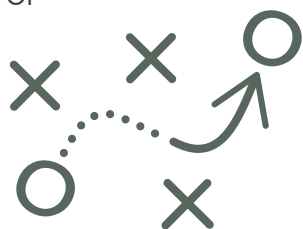

DISCUSSION QUESTIONS

1. What things are you looking forward to?
2. We hope for things that will make our lives better. What do you think will make this world a better place?
3. Read Matthew 5:14-16. When we are salt and light, what should be the end result?
4. Read Romans 14:17. How have you experienced righteousness, peace and joy through Jesus being your King.

Practical Challenge

For the kingdom of God is... of righteousness, peace and joy in the Holy Spirit.

Ask God, "How can I be goodness to people around me? How can I experience the presence of your peace and the joy of the Holy Spirit this week?"

PRAYER

- Please continue to pray that the final steps in receiving our Site Plan Approval will be completed quickly. Ask that God would intervene and provide quick resolutions to new complications that we are being confronted with this week.
- Praise God for the funds that have been raised and the work that has been accomplished for our building project over the last three years. Ask God to continue providing the finances needed to see the shell of our building erected. Prayerfully consider if God is prompting you to give.

- » Praise God for another individual in our community who recently gave her heart and life to Jesus!
- » Pray for our community, that many more will make Jesus King of their lives.
