PRAY WITH US

- **Praise God that our structural permit is being approved so that we will soon be able to put up our external structure—including the mezzanine and curtain wall! We are so grateful to be able to take this significant step forward.**
- Pray for favour with the Traffic Specialist assigned to look at our permit application and that s/he will provide us with an inexpensive solution to the right-/left-hand turning lane requirements.
- Praise God for our frontline workers and ask that they will be protected, blessed and strengthened.
- Praise God for people who are connecting to us through our livestreamed services as they are shared over social media.

PRACTICAL CHALLENGE

Take some time to ask Jesus to shine his light in your life this week—*Is there anything in me that offends you, Lord?*—Confess any sin that God brings to mind and know that God is faithful and just to forgive and to cleanse you.
